

Mount Pleasant Poll worker Application

Today's Date _____

1. Have you ever worked as a poll worker in another municipality? If so, what were your job duties?
2. What qualifications do you possess that you think would help you in working as a poll worker?
3. We currently pay \$8.57 per hour. A typical full day shift is 6:15 a.m. to 8:30 p.m. However, at the 2004 Presidential Election, our poll workers were still counting ballots at 3:30 a.m. We do have half shifts available: 6:15 a.m. to 2:00 p.m., or 2:00 p.m. to 8:30 p.m. really busy elections can run much later. How do you feel about working long hours, long lines and dealing with impatient people?
4. What is your experience in working in groups or teams?
5. How do you react when you must work with someone you don't care for or those with opposing views?
6. Elections require the utmost integrity; can you remain politically neutral while acting as a poll worker?
7. How would you react to a voter who becomes upset or disrupts the polling site?
8. How do you typically handle stress?
9. Election laws periodically change. Federal mandates have required many new changes this year. Are you willing to commit to training and retraining to keep abreast of changes in the laws or equipment you will use?
10. I cannot guarantee that you will be assigned to your home polling place. We assign where needed. OK?
